Subject: Dental Tutor for Dorchester

Dear Mr Levy

As you may know Mr High Bellis is stepping down as Dental Tutor for the West Dorset area at the end of March 2007.

Dorset will from April 2007 come into the new South West Strategic Health Authority area and hence under my remit.

I was wondering if the LDC had any views on who might make a good tutor to replace Mr Bellis.

Kind regards

Yours sincerely

Alasdair Miller
